March, 2018. Vol 47, No.3.

Dear Prayer Supporter,

Please continue to pray for our CCIM pioneer radio ministry among the Borana people living in Northern Kenya. A listener wrote:

“I am not a Christian, I was brought up in a family that believes in another culture. I listened to *“Dorothy’s Daily Devotional”* Borana program and was very interested in what you are saying about Jesus. Please tell me more.”

What a joy to be able to bless these spiritually hungry people, not only by our broadcasts and tracts, but now also through Bibles you helped supply!

Thank you for being part of CCIM’s totally dependent ministry upon the Lord. As *“Forward in Faith,”* chapter five explains, ***“My Presence will go with you.”***

In His love,

Bibles and the Borana *“Dorothy’s Daily Devotional”* from Marsabit, Northern Kenya.

“My mother got saved at 90 years as a result of listening to *“Dorothy’s Daily Devotional”* Borana program and she was so grateful to God. Last month, she went to be with the Lord!

“I appreciate your program so much. I have so many testimonies to share as a result of my listening. I am now a leader of a Bible study in

Marsabit and always encourage my members to listen every morning.”

Let us praise the Lord! Very much-needed Borana BIBLES have now been imported and are being distributed to our “DDD” radio listeners from TWR/FM Marsabit.

Thank you for your gifts and prayers to make such ministries possible!
