Applied Faith

Dear Prayer Supporter,

Words cannot express our deep gratitude for your faithful prayers and gifts which the Lord uses to reach many peoples including the French and Bambara!

The Bambara people, who mainly live in the Mali region of West Africa, have long since needed the Gospel! What a privilege that in 2006 we first printed “*Your Quest for God*” under the title, “Ala nyini cogo.” Little did

we then realize, but twelve years ago, that CCIM would now receive such exciting news of the rapid advancement of these ministries through radio, literature, Internet, and by every modern method known!

“**Applied Faith**” is vital for such happenings and all the glory goes to our beloved Lord Jesus Christ!

Gratefully,

Exciting new CCIM Spiritual Outreaches throughout West/Central Africa!

From TWR West/Central Africa:

“Both, ‘*Your Quest for God*’ **French** and **Bambara** have now been completely recorded in Abidjan, Ivory Coast, West

Africa. The French and the Bambara are 10 chapters each and are being used on SD memory cards and USB keys so that listeners can read them per chapter and move from one chapter to another on their mobile devices: MP3

players, Mobile phone, Cars, Lingua DMS, twr360 and www.ccim-media.com/resources.

“The French and Bambara **audios** of ‘*Your Quest for God*’ are also being promoted on our various platforms such as websites, Facebook pages, YouTube site, etc. And radio stations, wanting to broadcast these messages, will be provided copies for that purpose.

“Thank you again for your incredible book tools! Such CCIM support is making all these ministries available—especially to those who cannot read or write but can listen to broadcasts and audios in their heart languages such as French and Bambara!”

A.S., International Director. TWR W&C Africa.
