

Dear Prayer Supporter,

Blessed New Year! With great expectation of the Coming of the Lord for His Church, let us rejoice in the Partnership of the Gospel He has entrusted to us! Your love, prayers and support, impact precious lives around the world through the ongoing ministries of CCIM/TWR.

To the glory of our Risen Lord may we determinately and prayerfully declare:

“Necessity is laid upon me; yea, woe is unto me, if I preach not the gospel ... I am made all things to all men, that I might by all means save some” 1 Corinthians 9:16, 22.

Again, we are most grateful for the co-operative help of Ralf Stores, TWR/U.S. Director of Media Development & Services, in this CCIM update of the wide website outreach on twr360 and www.ccim-media.com/resources.

In His love,

MISSIONARY BLESSINGS!
Vol. 48 No. 1

Ralf's Report:

“It is such a privilege for me to write a brief update of the ministry partnership between CCIM and TWR. 2018 has been a busy year.

“At a time and age when most would be slowing down, instead Richard and Dorothy seem to be reignited and continue to press on with new ministry initiatives.

“To think that Richard would be writing new books at age 90+ is simply inspiring to me. *‘Forward in Faith’* and *‘Biblical Reality’* are new writings that are so very much needed today. *‘Forward in Faith’* is now available online in German, Hebrew, Indian, Russian and Spanish languages.

“TWR continues to work with CCIM to translate and produce these books into various languages including an audio version that is already on the air with more languages to come.

Ralf's Report continued:

“So many are being impacted every day through the faithfulness of the Bennett's. CCIM's ministry is truly global reaching and spanning every continent!

“*‘Dorothy's Daily Devotional’* - which is extremely popular in Africa - has been translated, produced and aired in multiple languages and for many years impacted millions of people on the continent of Africa.

“These broadcasts are now being translated into Spanish and are aired from TWR's Bonaire's 450,000 watt transmitter (The largest transmitter in the Western Hemisphere) to Cuba and Spanish listeners throughout Latin America. All these new projects are added to the CCIM website and TWR's internet platform TWR360.

Ralf's Report continued:

“On behalf of the entire TWR team we are deeply privileged to partner with CCIM and I personally am deeply humbled and honored to be able to be a part of leading, guiding, and continuing the legacy of Richard and Dorothy into the future.

May the Lord richly bless each and every one of you for your part in supporting the ministries of this dear couple.”
