

CROSS CURRENTS INTERNATIONAL MINISTRIES

VOL 42 NO. 5

May, 2012

Dear Prayer Supporter,

Thirty eight years ago, CCIM had the honor of being an “Inaugural Broadcaster” from TWR Swaziland – their fourth international transmitting location! Today, still from this same high powered radio station reaching millions of people, Richard’s “*Way of Truth*” broadcast and “*Dorothy’s Daily Devotional*” targets people in: Mozambique, South Africa, Botswana, Lesotho, Malawi, Zimbabwe, Zambia and Tanzania. Also, others respond to the English-speaking broadcasts from outside these targeted areas such as from war-torn Nigeria.

In addition to CCIM *Africa* broadcasts in English, Swahili, French and Turkana, CCIM also prints and distributes in various languages multiple thousands of “*Your Quest for God*” and “*Food for Faith*” books, plus, the widely requested “*Hope for the Hopeless*” AIDS tracts in yet many more languages.

This month, we will share a few of the letters received from the Africa English broadcasts aired from Swaziland; update you on the pioneer CCIM Turkana broadcasts aired from TWR Kenya; and, encourage your prayerful participation in these ongoing ventures of faith. Please continue to pray for CCIM *Africa Ministries* in the Arabic *North*; the French-speaking *West*; our long-standing outreach in the Swahili *East*, and, the multicultural *South*. Yes, what was commenced by faith 38 years ago in Swaziland is still expanding because of His enabling provision! Although Africa is diverse, yet each person is known unto God and the Lord Jesus is the only answer! Thank you for *your* gifts which enable CCIM to minister while we still have today!

In His love,

A listener from MALAWI writes: Your messages are of great value to my life and the entire family. They are so practical and have helped us take Christ Jesus as the only source of our everything in any situation. Also, your books communicate to the heart of every person in this dying world. Once again I thank you for your gifts of two books: “*Food for Faith*” and “*Your Quest for God*.”

A listener from NIGERIA writes: An ordinary stone in David’s hand had an extraordinary effect on Goliath! May the ordinary things you do this year result in extraordinary breakthroughs. I am a family man with a wife and four children. It has been wonderful since we have started listening daily to your programs with each of the members of my family. I will gladly receive with gratitude the book mentioned by Richard Bennett: “*Food for Faith*.”

A listener from ZAMBIA writes: I am a young lady writing and am also a growing Christian just starting my walk with Christ requesting *YQFG*.

A listener from ZIMBABWE writes: Dear Dorothy, first and foremost I am feeling very excited to listen to and understand the good words that come from Jesus Christ. Here in Zimbabwe we are aggressively struggling with hunger because people are starving. I enjoy doing Bible studies and I would like to receive a copy of “*Your Quest for God*.”

A listener from UGANDA writes: God’s richest blessings for all the work you are doing in His ministry. I thank you because your programs touch the lives of many people every day including me. Please send me the book, “*Your Quest for God*.” I pray that God continues using you. Thank you!

Turkanaland

Many have joined us in prayer for the frontier mission outreach of “*Turkana Family Devotional*” (“TFD”). TWR Kenya Production Manager, David Angango, shared highlights of his recent mission to monitor the outlet from various locations and gauge the signal strength of these broadcasts from Lodwar. In this report he was able to help establish three listener groups and strengthen the existing “TFD” Pastor’s Prayer group. Also, the most needy people were identified to receive the CCIM gift of wind-up radios (\$48 each).

David met with pastors and listeners to “TFD”; established two listener groups to “TFD” by cassette; and determined strategies to distribute the much demanded Turkana Bibles which are in short supply; encourage a Pastor’s fellowship to update their congregations on this one and a half hour program of “TFD.” This consists of “*Dorothy’s Daily Devotional*” in Turkana; a consecutive verse by verse Turkana Bible reading; a Turkana’s Pastor’s message, Turkana Gospel songs and concludes with a simultaneously translated Swahili 15 minute “*Dorothy’s Daily Devotional*” message.

Nakwaperit is 25 miles south of Lodwar, made up of around 100 traditional homesteads called *manyattas* with 1,000 inhabitants. Nakwaperit is one of the most difficult areas to access by road as it is around five miles from a main road. However, the Turkana Basin Institute—world renown as it attempts to prove that man “evolved” is a strategic mission field to share that God is the creator, and that His Son, Jesus Christ, died on the cross for the salvation of all. A renowned medicine man, healer/seer/spiritual leader lives in his isolated *manyatta* which increases the urgency of our mission to tell the people of the true Healer, our Lord Jesus Christ, Who alone can heal physically and spiritually.

Pastor Samson & congregation singing as they go to a meeting under a tree.

David wrote: “Finally at Nakwaperit, we halt outside a simple structure with walls of mud and poles with a roof of asbestos sheets which seats 30-40 people (see photo). This is the only church in Nakwaperit, a village of over 1,000 people. With excitement the congregation gather around Pastor Samson and sing some Turkana Gospel songs. Arrangements were made to set up “TFD” listener groups. One group which consists of the choir and will be in the church and the other group are students of a primary school next to the church. We hope to follow-up this visit to establish the group at the school and are delighted to know that the Headmaster has offered his assistance. It is exciting to know that this is the first church and school-based “TFD” listener group. We prayerfully anticipate two other such village based Church “TFD” listener groups.”

We need your prayers for a spiritual awakening in this community with conviction and conversion in the hearts of those who have been satanically bound. Please consider bringing this opportunity to your friends, Sunday School class or Mission Committee as a special project for prayer and gifts towards the current translating and Turkana printing of “*Hope for the Hopeless*” plus daily program translation/production of “TFD” broadcasts. Thank you for your prayerful part in reaching these precious people for Christ!
