

CROSS CURRENTS INTERNATIONAL MINISTRIES

VOL 42 NO. 8

August, 2012

Dear Prayer Supporter,

“That land is henceforth my country which most needs the Gospel” (Count Zinzendorf, 1700-1760). In 2012 we ask what countries most need the Gospel? The late Oswald Smith, Pastor of “People’s Church,” Toronto, said: *“When the Lord Jesus fed 5,000 men, plus women and children, He did not commission His disciples to keep feeding the front row while the rest of the crowd languished in hunger.”* Today, there are many front-row Christians who pick and choose from a smorgasbord of various church ministries at the same time the rest of the world languishes in spiritual hunger, darkness, and danger.

Praise God, that today the Lord is graciously opening modern-day opportunities for CCIM to reach more people with the Gospel on a daily basis than was ever possible when Dorothy and I spent long years travelling far and wide to preach and uplift our resurrected Lord in churches; conferences; Bible colleges, seminaries and military bases. Now, as we face future opportunities, we are encouraged to read: *“Cast thy bread upon the waters: for thou shalt find it after many days”* Ecclesiastes 11:1.

Flowing from previous ministries in diverse lands and cultures, the Lord enabled us to publish *“missionaries in paper covers”* in multiple languages. Many stories could be shared of the spiritual warfare accompanying each of these projects of faith. However today, by the enabling grace of our Lord Jesus Christ, many of these books have been recouped from the various ministries through which CCIM sponsored the original translation and printings. Now, the Lord is opening a wide door of opportunity by means of the modern medium of cyberspace, to bring these books to peoples in the various languages--people who languish under severe testing with little or no access to spiritual truth.

If possible, please visit www.ccim-media.com/resources and view the updated presentation of these books which we have attractively prepared for downloading. Yes, past ministries are affecting current opportunities! We praise the Lord for those who, in their own heart language, are now able to download these resources. While, here at home, there are multiple resources for people who sit on the “front row,” through your help, CCIM is reaching people living in difficult circumstances needing to access God’s “Good News!”

High on the list of people being reached by this media are those who live in restricted countries dominated by another religion. For example, the extraordinary response of the downloads of Arabic “YQFG” and “FFF” continues to grow exponentially—now totalling nearly 79,000! Yes, there is not only hard copy access to www.ccim-media.com/arabic but people can also listen to the Arabic reading of “YQFG” with music interludes. Among those countries responding to this Arabic ministry are peoples from Algeria, Morocco, Tunisia, Libya, Saudi Arabia, Yemen, Iraq, Bahrain, UAE, Lebanon and even the USA! Constant expansion requires increased expense. Please bear this in mind as you pray with us for His provision. Thank you for your vital part in Him!

Together in the bonds of Calvary,

“Dorothy’s Daily Devotional” English (Kenya) Reports
