

CROSS CURRENTS INTERNATIONAL MINISTRIES

VOL 42 NO. 9

September, 2012

Dear Prayer Supporter,

“After many, many years I have heard about you again . . . I don’t have words to say how very much you meant to me that summer of 1963 at Forest Home Conference Center, CA, some 43 years ago.” So wrote a “young lady” who is since a wife and mother of three grown children and nine grandchildren! One of the blessings of old age is to reflect upon God’s mosaic pattern and His subsequent blessings today.

Another person recently wrote: *“I remember clearly the first time I met you in 1977 at a “Word of Life” Bible Club Leader’s meeting in Sacramento, CA. You had a significant impact on my life as you taught on the Holy Trinity. This motivated me to leave my position as a physics technician at the Lawrence Livermore Laboratory and move my family to Schroon Lake, NY where I attended the WOL Bible Institute.”* We rejoice hearing of today’s spiritual fruit around the world, but even greater joy is to hear the Lord Jesus say: **“That ye should go and bring forth fruit, and that your fruit shall remain”** John 15:16.

Recently, another encouraging letter came to hand which was written 40 years ago. It was from the late Evangeline McNeill of Cannon Beach Conference Center, Oregon: *“Dr. Bennett, we never can forget your week here. It was so wonderful and so effective in so many lives. We shall be ever grateful for your coming. I felt that I had a fresh anointing of the Spirit upon my life and was so grateful for such a spiritual and effective ministry.”*

We continue to sow the seed of God’s living Word in different and yet far-reaching ways. By means of CCIM Google Ads at 12 cents a download, people continue to access *“Your Quest for God”* in their own language in Arabic, Hebrew, Russian, Spanish, French African, German and Japanese. This ministry merges with our TWR LinguaBlast outreach. CCIM prayerfully seeks to reach precious peoples, not only by our broadcasts over high powered radio and literature distribution in multiple languages, but also by every opportunity through Internet as funds permit. Thank you for being part of this spiritual adventure of obedience and faith!

Like all the other translations of *“Your Quest for God”* and *“Food for Faith,”* this story commenced several years ago resulting from speaking at a Japanese Conference in Denver where we met Noriko. Subsequently, she graciously translated *“Quest”* and, later with the help of Mihoko and Tomoe, both *“Quest,”* and *“Food,”* were edited and prepared for publication. Following the devastating Tsunami and earthquake last year, thousands of these Japanese copies were distributed across Japan. At a Japanese meeting in California (photo below) a visiting Pastor from Japan expressed the deep appreciation of his congregation for these timely books. You can share them with others: www.ccim-media.com/japanese Together in His Name,
