

CROSS CURRENTS INTERNATIONAL MINISTRIES

VOL 42 NO. 11

November, 2012

Dear Prayer Supporter,

“For it is written, as I live, saith the Lord, every knee shall bow to Me, and every tongue shall confess to God” Romans 14:11. *“That at the Name of Jesus every knee shall bow . . . and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father”* Philippians 2:10,11.

The question then is: Will the knee of some antagonist; or religionist (whether within or without the church); or legalist; or atheist; or humanist; or pacifist; or socialist, be compelled by a mighty angel to bow at the Great White Throne, with shame and sorrow, and be compelled to confess that: *“Jesus, is Lord?”* Who better to judge such people, than the Lord Jesus Himself? He said: *“The Father judgeth no man. But hath committed all judgment unto the Son”* John 5:22.

Though never less than God, Jesus walked among men not only as the Son of God, but also as the Son of Man. Yes, it is this God-Man, the Man Christ Jesus Who will pronounce His judgment when He banishes all Christ-rejecters to eternal hell. As the Lord Jesus said: *“And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil”* John 3:19. This will include those who have vainly hoped that faith is an attitude and not an act. Doctrinal correctness in and of itself is not saving faith if it lacks the dynamic corrective’s power of the risen Lord Jesus Christ: *“Who hath delivered us from the power of darkness, and hath translated us into the kingdom of His dear Son: In whom we have redemption through His blood, even the forgiveness of sins”* Colossians 1:13,14.

So by God’s grace, the second alternative will be, when on that great and awesome Day, every true believer will gladly bow the knee in wonder, love and praise. Then, the Lord Jesus Christ will welcome them into the glory of His eternal light to be forever with Him!

With the short time left for the Church to witness here on earth, it is in very dark and dangerous areas of this world that - particularly in what is called the “10/40 Window” - thousands upon thousands of people are grasping for a ray of light. So, it is with joyful astonishment that we observe the multiple thousands of Arabic responses to the Google Ad audio access to *“Your Quest for God.”* How they need each of us to remember them in prayer! In some regions, their very response to the Savior’s love and light could imperil their lives. Yes, for such, it is a matter of life and death if people confess that Jesus is Lord in their dangerous circumstances.

So, before we fall into the rushing of our “to-do” lists for the holidays keeping up with traditional expectations, may the Lord Jesus shake us all from our self-centered comfort zone and impel us to take every opportunity to clearly confess that Jesus is Lord to family, friends and everyday contacts whatever may be the cost of being misunderstood and even rejected. Let us also give ourselves to renewed travail in prayer. Thank you again for your part in the reaching of precious peoples through CCIM radio, literature and Internet ministries by your faithful gifts and prayers.

In His love,

Growing outreach through CCIM! People CCIM reaches by radio broadcasts:

Benin, West Africa - I am a man from Benin and have a Muslim background. I faithfully listen to “*Rendezvous with the Lord.*” I would like you to pray for my healing as for twenty years I am sick and my right hand trembles and writing is difficult.

Cote d’Ivoire - The book “*A la recherche de Dieu*” brought light to my mind! Before, I was unable to discern the fundamental truth concerning repentance and even less the difference between repentance and confession. But now I understand that true repentance opens a direct way to God by Jesus-Christ. So, I repented and now have peace with God! As a Catholic, I previously repeatedly confessed but my conscience was merely relieved and I had no true peace with the Lord Jesus Christ.

Burkina Faso, West Africa - I live in Burkina and my mother always insisted I read Christian books as she desired that one day I would become a Godly woman. I always deceived her that I had read the book. However when she gave me a copy of “*Your Quest for God,*” it mentioned the need to pray to find God while reading this book. I did that and fully read the whole book and reread certain chapters to gain understanding. At the end I asked forgiveness of God for all my sins and asked him to come into my life and change me! This repentance pushed me to ask for forgiveness of my mother for all my lies even of the books that I didn't read. Today I’m seeking to live an honest Christian life that is true before God and I bless the Lord for His grace that He gave to understand His will for me.

Kakamega, Kenya - I have a ministry among young people and I encourage them to tune in to listen to you. Many do testify here in Kakamega that truly, your teachings are a blessing to them.

Garissa, Kenya - “*Dorothy’s Devotional*” Swahili. Thank you very much for your Bible teaching. I have been encouraged and built-up spiritually through listening to you in this troubled region.

Lodwar: - I listen to your program on Maata radio in Lodwar, Kenya. Your Swahili broadcast after the Turkana service is a blessing. I ask that you extend your broadcast to Kakuma as I am a refugee from Ethiopia and have come to learn some Swahili and thank you for this wonderful program. In Kakuma, we are many from the Arabic speaking lands (Eritrea-Sudan-Ethiopia) and many are in Kakuma Refugee camp. We ask for any literature especially Arabic for me and the many others in Kakuma.

S.O.S. As the Lord provides, CCIM has been asked to help with the urgently needed more powerful transmitters to accompany the new far reaching Masts from the Lodwar, Garissa and Voi FM radio stations in Kenya. Please pray about this!

Greater CCIM Internet outreach! People behind updated website:

In order to make both translated and English-language resources more accessible to the online audience of www.ccim-media.com, TWR recommended that the CCIM Linguablast site receive a few upgrades. The media files, audio and text, were moved to the **LinguaDMS** system. This, from an administrative standpoint, will make it easier to manage and allow the files to be more readily accessed for other media platforms in the future. Also, with the following site changes: A link for media resources; a page for language selections; choices for resources available in different languages; and pages where audio or text media will be translatable. All to say that the Gospel will reach more people through this greater Internet outreach. Your “extra” gifts will make all the difference – thank you!

Google Ads Increased Response! People CCIM reaches in troubled lands:

Where are the fish biting you may ask? With now over 215,000 responses to CCIM Google Ads - of which over 127,000 are from Arabic countries in North Africa and the Middle East - your prayers and gifts help CCIM direct people to the Arabic hard copies and audio of “*Your Quest for God*” & “*Food for Faith.*” Eternity alone will tell the total outcome of this adventure of faith and the part you played!
