Wrath and Glory

Dear Prayer Supporter,

This month, in celebration of Dorothy's 87th birthday, I dedicate "Wrath and Glory," my 4th chapter of "Light and Glory," to her lifetime's love of His Word and prophetic teaching. The resultant impact through her broadcasts is shared by an African listener: "Praise God! I felt there was something missing in my life. After listening to "Dorothy's Daily Devotional" program I was convicted of my sins and wanted to give my

life to Jesus. I decided to repeat the prayer Dorothy said after her and was saved. I told my Pastor that I had given my life to Jesus after listening to Dorothy's program and he was so excited. He encouraged me not to go back to my old life style. I am so grateful to Dorothy and may God bless her." Thank you for your prayers and gifts which count in reaching such precious people.

In His Love,

God's love extended through CCIM high-powered African broadcasts.

West Africa:

"I Killed My Father in Witchcraft."

"I killed my father when I was 8 years old. I was part of a group of witches under the initiation of my grandmother. To become strong, my grandmother would betray my father. Then she asked me to accomplish the mission to eliminate my father. I will not say what I did, but I have slain my dad and I continued on this path diligently doing harm to several people I loved. The radio program 'Dorothy's Daily Devotional' (Rendezvous avec le Seigneur) showed me the correct path to follow. **I accepted Jesus Christ who saved and delivered me from the practice of witchcraft.** Praise His holy Name!"

Malawi:

I would like to testify that your broadcast has changed my life. The book you sent me, "Your Quest for God" performed wonders! I have found real life, no longer in solitude because my chains have been broken! Keep telling the world that there is none like God!

South Africa:

I have been listening to your radio broadcasts for about a year now and am so blessed! Praise our God for His mercy, His blood, His grace and faithfulness. I have been meaning to ask for your book offered on "The Way of Truth" by Dr Richard Bennett.
