Dear Prayer Supporter,

With this month's timely article, "**Survival or Revival,**" we encourage you to prayerfully read, apply and share this urgent exhortation among Christian friends. Together, let us daily live in the fullness of His Spirit as we anticipate the Rapture!

Personal spiritual brokenness proceeds His working through our available life. "*For the Son of man is come to seek and to save that which was lost .*" Always remember how valuable you are to our Lord. He paid so

great a price for you and me by shedding His precious Blood! Now, He wants His indwelling Life through us to be the explanation of all that happens.

Praise His Name, Our Lord continues to open doors of opportunity for CCIM to reach spiritually hungry people. Your God-directed gift really does count! Thank you so much for your help and prayers.

In His love.

God's love extended through CCIM missionary radio.

From a **Benin, Africa** radio listener:

"Through your programs on the 'Life of Joseph,' **God has delivered me from the practice of corruption.**

"I had so wanted to see all my children have jobs before my death and avoid them having any future suffering. In so doing, I 'helped' God and 'bought' them jobs while at the same time saying I was a child of God.

"After listening to your radio messages, **God convicted me of my sin and I burst into tears** when I heard how God took care of Joseph even in a foreign country and it was

He Who eventually elevated him to become the Governor. It was then that **I understood the evil I had done to my children,** to God and to myself, in order to gain their love by pretending to love and help them.

I have now repented of my actions and I have renounced my sin and behavior. Since then, I have dedicated each child to God and asked them not to follow my actions which were against God's plan for them but to trust in God for their future and care.

I am now saved and have total peace of heart!"
