

Cross Currents International Ministries

March, 2017 VOL. 46, NO. 3

Dear Prayer Supporter,

This month, while supplies last, we are delighted to send you a copy of, “Revival Now?” It is our prayer that we will all seek the Lord for revival at this time. As revival involves a personal brokenness and dependence upon His mighty power, so it always involves a spiritual burden for others. To understand that to be part of His Body—the Church—will involve us in the overflow

of His life reaching precious people around the world. That is what the Lord has placed upon our hearts for the ministries of CCIM. Behind every broadcast, literature reader and Internet user of our material, is an important content for the miraculous working of the Lord. Thank you for your gifts, donations and shared spiritual vision for the lost!

In His Love,

Richard & Leahy Barnett

God’s love extended through CCIM PANI missionary radio.

PANI outreach brings the gospel to many first time listeners in Pakistan, Afghanistan and Northern India. Such biblical messages also offer hope and support to precious believers who endure terrible persecution.

CCIM commenced PANI broadcasts of “*Your Quest for God,*”

Punjabi, just over two years ago. Now, we have been requested to renew our broadcast contract for another year at the **cost of \$3,866.52.** Perhaps

your Sunday School Class would join you in prayerfully covering this further broadcast opportunity which, with other broadcasters, is eliciting a wide range of responses: “Some of the listeners are outright hostile to the message of Jesus Christ, but **many others express joy upon hearing the living water of Scripture for the first time!**”

“TWR’s PANI ministry team reported how a teenager listener, who is living under persecution, recently wrote:

“You know that if I become a Christian, I will have no place in my house.” [ED: Please pray for this boy].
