For to me to live
is Christ,
and to die
is gain.

Philippians 1:21

Dear Prayer Supporter,

Blessed Resurrection greetings! Yes, Jesus is alive and, miracle of miracles, through His precious Blood, He now lives in our hearts to continue His activities through us.

Through your faithful prayers and support, this blessed reality reaches many peoples through CCIM broadcasts, literature and Internet. The whole explanation of this ministry is none other than the Risen Lord Himself!

“For me to live is Christ,” and the updated news from our pioneer ministry in Borana will encourage you to understand what is shared with others in dark regions of the world. Recently, a lady testified that she now prays for these precious people. Please pray for CCIM’s faith outreach enabled only by your gifts as unto the Lord.

In His love,

God’s love extended through CCIM Borana, N. Kenya outreach.

“I got saved through listening to “*Dorothy’s Daily Devotional*” (DDD). I am a form four student and my family has got so many problems that I decided to take away my life by committing suicide but, when I listened to your program and was convicted of my sins, I gave my life to the Lord Jesus. Now I am happy in Him and know that He will take care of all my needs and problems.”

“I am very excited to have listened to your “DDD” Borana program this morning. I was so discouraged and, having heard the Word of God speaking directly to me through your message, made me so happy and blessed. I am

grateful that someone thought of sharing God's Word in my own language. Thank you so much!”

“The Lord bless you for the good work you do among the Borana people. I love listening to your messages in our language and this is the only program my mother will listen to. She loves the Bible verses and she asks me to keep writing them for her future reference.”

“I got saved from listening to “DDD” in Borana. The books you gave me help me grow in my faith. You have been such an encouragement and I have now joined a church and am happy to be in Christ!”
