VOL. 46, NO. 7

Dear Prayer Supporter,

May the Lord bless your life and give you personal encouragement as you read Richard's 90th birthday article: "Holy, Holy, Holy."

Thank you for your part in making it possible for CCIM, not only to pay for high-powered missionary radio broadcasts, the printing/distribution of free literature as well as Internet time, but also for assisting

in the purchase of equipment for missionary radio stations. In Kenya alone, CCIM have supplied generators for Voi, Lodwar, Marsabit and Lamu. These are all "pioneer missionary radio stations" from where we broadcast. Many thanks for your part through gifts & prayers!

In His love,

## God's love extended through CCIM by radio equipment

**Marsabit, Northern Kenya.** *"I am happy that we have your program in the Borana language as it is teaching us about the Christian faith. I am indeed blessed."*

Thank you for enabling CCIM to supply the generator for the TWR/Kenya Marsabit radio station from where our "Dorothy's Daily Devotional" Borana messages are aired to this both spiritually barren and drought-ridden region.

A listener just wrote: *"Please do continue to pray that the gospel will penetrate the very furthest corners of Marsabit."*

### Lamu, Southeast Kenya

CCIM recently supplied a much-needed generator for TWR's new radio station. Please join us in prayer as broadcasts are made to the dangerous Coastal Regions, Somalia border and Mombasa.

**Thank you!**
